Preface ix

PART I: KNOWLEDGE SOURCES IN COMPREHENSION

1. Semantic Macro-Structures and Knowledge Frames in Discourse Comprehension
   Teun A. van Dijk .......................................................... 3
   Introduction 3
   Semantic Structures of Discourse 4
   Conventional Super-Structures 16
   Frames and Macro-Structures 18
   Discourse Processing: Some Hypotheses 27
   Macro-Structures in other Cognitive Domains:
     Some Final Remarks 30
   References 31

2. On Comprehending Stories
   Walter Kintsch  .......................................................... 33
   I. Some Speculations About How Readers Organize Stories 37
   II. Macro-Processes 46
   References 61
CONTENTS v

7. Suppositions and the Analysis of Conditional Sentences
   Lance J. Rips and Sandra L. Marcus ........................................... 185
   I. Introduction 185
   II. Conditional Asymmetries 193
   III. The Role of Prior Beliefs 198
   IV. Conditional Reasoning 205
   V. Implications 214
   References 217

8. Comprehending Reading at Work
   Thomas G. Sticht ................................................................. 221
   Literacy Skills at Work 222
   Expectancy for Value and Use of Information Gained by Reading 232
   Brief Summary of the Reading-For-Working Survey 234
   Using Written Materials for Task Performance 235
   References 245

PART III: MODELING LANGUAGE COMPREHENSION

9. Problems of Reference in Text Comprehension
   David Kieras ................................................................. 249
   A Description of the Simulation 249
   Reference in Text 258
   Conclusion 267
   References 268

10. A Production System Model of Language Processing
    John Anderson, Paul Kline, and Clayton Lewis ............................. 271
    The ACT System 271
    Language Processing in ACT 287
    Question-Answering 308
    Final Remarks 309
    References 310

11. Structure and Process in Discourse Production and Comprehension
    Carl H. Frederiksen ......................................................... 313
    Discourse Structure and Discourse Production 314
# CONTENTS

- Text-Based and Schema-Based Processes In Comprehension 318
- Discourse Processing and Variation In Language Structure and Use 320
- References 322
